

• GRIDSTREAM • RALEIGH-DURHAM, NC

From requirement *to delivery.*

01 CAPABILITIES STATEMENT

Gridstream is a **Service-Disabled Veteran-Owned Small Business** executing federal contracts across **design-build construction, engineering, bulk fuel logistics, tactical equipment supply, and program management**. We operate as the accountable prime when the mission can't slip — disciplined, technically fluent, and built to deliver on-time and on-spec.

02 CORE COMPETENCIES

CONSTRUCTION
Design & Build

MANUFACTURING
Metal Manufacturing

FUEL • LOGISTICS
Aviation Fuel — JP5 & JP10

PROGRAM
Contract Administration

GOVERNMENT CONTRACTING EXPERTISE

- Deep understanding of Federal Acquisition Regulations (FAR)
- Experience with BPAs, IDIQs, and Firm-Fixed-Price contracts
- Program management and contract compliance throughout the lifecycle

03 DIFFERENTIATORS

Gridstream leadership brings **over seven years of deep experience** in federal contracting and navigating complex government requirements. We compete and execute with the discipline of military operations — short feedback loops, accountable program managers, and an uncompromising commitment to deliver. **We are confident in our ability to perform on day one** and built to compete for set-asides, sole-source actions, and full-and-open opportunities alike.
